A Bright Future

This 3 bedroom home has a fine history but we can see it has a bright future. Built in 1929 with only one owner it contains a warmth held with special memories.

There is no doubt that at the moment the home is a little past its golden years, but with a little love it wouldn't take much to bring it up to scratch. It has timber floors, 3 bedrooms, a kitchen/dining space, bathroom and a sunroom/sleep out the front.

An enjoyable drive 30mins from Townsville. Do not let this one pass you by!
