

10 Paringa Street CRANBROOK QLD

3 1 2

In a serene setting, one street back from the beautiful Ross River sits this immaculate home with a pool and shed offering great versatility.

A three bedroom highset home it is hard to determine what is more appealing - the sunny outdoor surrounds or the modern interior.

The entire home has beautiful polished timber floors and is impeccably maintained - you will not have to do a thing. The living area is well laid out with an open plan living/dining and well appointed kitchen. All the bedrooms have built in robes and airconditioning.

Outdoors is equally as impressive. At the front sits a large inground pool which can be viewed from a balcony at the front of the home. You could not ask for more space in the backyard even with the addition of the 6x3m shed with roller door. Underneath the home is the perfect area for storage and entertaining it really does offer fantastic flexibility.
