

## A Family Favourite In Quiet Crescent

From the outset this property has everything you are looking for. It is fully fenced (front and back yards) which makes it perfect for children and pets. It has a huge deck perfect for entertaining.

It has three bedrooms upstairs and one large bedroom downstairs that would make a perfect teenagers retreat.

Beautiful polished timber floors can be found throughout and it features a modern kitchen. The home is air conditioned with split systems throughout. All three bedrooms are a great size.

There is room under the house for a car as well as a double carport at the front.

All this in a great central location!
