

Renovated Queenslander

Spend your evenings dining on the veranda or climbing up Castle Hill. Whatever your fancy, this is the property for you!

Your new home is in a child friendly quiet cul de sac and has no rear neighbours (you are right on Castle Hill!) It has been beautifully renovated with 3 air-conditioned bedrooms and 2 bathrooms.

Enjoy open plan living areas - all fully screened and air-conditioned. Polished timber floors are a feature throughout.

The large veranda wraps around two sides of the property and is perfect for entertaining on those warm tropical evenings or a cool place to relax after a hike up the Castle Hill 'goat track' which is almost at your back door.

The property is fully fenced with easy maintenance gardens.

* 3 bedrooms
