

## Two Bay Shed For Extra Space

An opportunity to rent a home with a shed doesn't come along every day! Especially a home as beautifully maintained as this.

The home offers three bedrooms - two of the three bedrooms have built in robes and the main bedroom is extremely spacious. The third bedroom lends itself to a rumpus room due to its size if you didn't require three bedrooms.

There is also a modern kitchen with dining area and a large lounge room. Air conditioners are fitted throughout the entire property.

As well as the large two bay shed there is a second smaller shed at the back and a single carport at the side.

The new tenant of this home will enjoy the convenient, family friendly location.
