

Exceptional Location!

You can breathe easy knowing that there is an affordable rental in a longed for location, a 30 second walk to Castletown Shopping Center.

Beautifully presented you will be greeted with the spacious living area, separate dining area and modern kitchen. There are three good size bedrooms, two with built in robes and the home is fully air conditioned.

The bathroom is modern with a large double shower and there is also an internal laundry.

Downstairs is fully enclosed with an automatic garage door with one car space. There is enough room to set up an outdoor setting or simple use as storage - there is an additional lockable storage room.

This is a brilliant property and couldn't be faulted on location.
