An Address That's All About Family

Displaying contemporary style and a secure modern layout this home is perfect for families.

Privately positioned on a large 951sqm block the home has generous proportions throughout. The living area provides enough room for the entire family to enjoy. These family focused dimensions are served by the large open plan kitchen that is both modern and practical. Quality stainless steel appliances, lots of storage and a dishwasher are all features of the kitchen.

All four bedrooms have built in wardrobes and the home is fully air conditioned. The master bedroom has a walk in robe and private ensuite while the remaining bedrooms are serviced by a full size family bathroom. Both bathrooms are modern.
