Double Bay Powered Shed

This home is the perfect combination of space, style & location.

An unmissable property it features four bedrooms, all with built in robes and two bathrooms. The master bedroom has a walk in robe and private ensuite, the third bedroom is also king size with extra built in space.

Open plan living provides enough space for the family with lounge, dining and large kitchen with pantry and modern appliances.

The home is fully air conditioned and timber look floors feature throughout. Both bathrooms have modern fittings, the main has a separate shower and bath - great for families.

The location is great - at the end of a court, with only one side neighbor.
