Low set 2 bedroom cottage with street appeal - ready for a makeover !

Set in a quiet street, close to schools and shops and transport is this very original cottage with potential to rejuvenate into something special.

If these walls could talk they would tell the story of a lifetime. The last owners lived in the home for 50 years and have not changed a thing since the day it was built.

This 2 bedroom home on an 809sqm block has loads of potential, all it needs is a bit of TLC.

There is side access to the car port at the back of the block with plenty of room for a shed.
