

Superb house in a great location!

In a quiet street in Heatley is this beautiful 3 bedroom highset home. A high fence and lockable gates provide privacy and security, with a double carport in the front, and room for a third car under the house.

The landscaped yard contains manicured gardens and lawn, and the rear houses a rustic Australian retreat, bbq, and hut guaranteed to make you relax. Under the house, the laundry is tucked away from a built-in bar area, and a workshop is even further along.

Upstairs, polished timber floors run throughout the renovated home. A large lounge greets you at the front door, with a servery through to the new kitchen. Down the hall, the new bathroom, complete with tiles to ceiling, services the three large bedrooms, two with built in robes.

The house has new paint inside and out, and two decks - the front with built in outdoor lounge, the rear coming off the main bedroom and overlooking the back yard.
