

3 Bedroom Home on 1012sqm

A rare find - this three bedroom home was fully renovated last year including

:

- Bathroom completely re built
- New Kitchen
- New Internal Painting
- New Split System Air conditioners throughout
- New Lighting Fans Switches

And what it sits on is 1012 m2 one from the end of Carney Street beside Main Roads Depot with access to rear from Jerekey Street. The home sits on the border of Wulguru and Cluden - pass the Fairfield Waters shopping centre, drive 500 meters, cross the railway lines and turn right onto Jerekey - first left is Carney.
