Remarkable Family Home

This remarkable family home combines contemporary style with heritage character and places a huge emphasis on easy living.

With an infinitely practical layout the home is legal height. Upstairs features a large living area, 3 generous size bedrooms, a renovated bathroom and renovated kitchen. The home is fully air conditioned.

Polished timber floors flow throughout and the kitchen opens up to a huge deck which overlooks the backyard.

Downstairs is a rumpus room with a bar which is a really flexible space - it opens up to the backyard through beautiful original doors which enhance the heritage feel.

There is also another bathroom and home office - perfect if you work or study from home.

At the side of the home is a large double ca
