## Modern 4 bedroom home with Pool [Option to rent fully furnished]

Located in ever popular Rupertswood, this lovely four bedroom home offers buyers a perfect opportunity to buy a solid family investment with plenty of room for the kids to grow.

This easy and low maintenance property is complemented by simplistic garden settings both front and back, leaving you with masses of space to set up just the way you would like it - maybe have the chooks, veggie garden, and orchard you've always wanted. Added bonuses are the bio-cycle system, with grey water irrigation, and a solar power system to help cut down those rising electricity bills.

For the home handy man there is a good-sized shed attached to the double carport, perfect for work shop or storage opportunities.
