

Stunning Home

This stunning new home occupies a premier position with beautiful views of Mount Louisa and afar.

A flowing floor plan provides three great living areas including a beautifully appointed kitchen with ample storage and bench space, lounge and dining ? all which take in the views. There is also a "kids retreat" and a study.

The living area opens up through bifold doors for seamless entertaining on the large deck ? it provides indoor/outdoor living at its finest. The bathrooms offer the ultimate indulgence ? spacious, double showers and a bath in the ensuite.
