If you're after a stylish, convenient and secure sense of living then you need not look any further! Tucked away at the rear of the stunningly designed Waterview Terraces complex you'll feel as though you're miles away...

Upon entry to the home you are greeted by a large open plan living area and a well kept kitchen in near new condition.

Three generously sized bedrooms accommodate built-in wardrobes, with the main also having an en suite and separate access to the balcony.

Perfect for the family who don't want the stresses of never ending lawns and gardens, and who would instead prefer to sit on the perfectly positioned balcony and enjoy the sea breezes.

The complex enjoys all the facilities and amenities demanded in a unit complex including swimming pool tennis court and putting green.
