Two Homes In One

It is rare for a rental property to become available in the Blue Ribbon "Chelsea Place". Equally as rare is for a property of this size to become available. Providing what could be described as two homes in one. There is a large 4 bedroom, two storey home with multiple living areas and two bathrooms and there is a 3 bedroom granny flat with separate bathroom and kitchen (private entry).

Providing a peaceful ambience and enjoying a very private aspect, the property is embraced by nature and inspired by the tropical North Queensland lifestyle.

It is the perfect property for large families with perhaps elderly parents or grown up children wanting to live at home!
