

PRICE GUIDE: \$435,000.00

Area: 939 m2

So Close To The Beach You Can Hear The Sea!

This home represents a classic style in a modern home, and can only be appreciated with a personal inspection.

Located in a prime location, you can hear the sound of the sea being located within 200m of a walkway that leads straight to the beachfront.

It features a large open plan living area that opens out onto the veranda. There is also a formal lounge that would make a perfect theatre room. All four bedrooms have built in robes, the main bedroom has a private en-suite.

With a large 939sqm corner block with dual street access and a double garage to the side of the home.

The homes features a sparkling in-ground pool surrounded by paved entertaining area.
