Freshly Renovated In a Quiet Location

This two bedroom unit has been fully renovated to set itself apart from all the other units on the market.

It has a stunning modern kitchen and spacious open plan living dining area. Both bedrooms have built in robes and are serviced by an equally spacious and modern bathroom. It is conveniently located close to the city and very secure.

An additional bonus is the huge storage room and separate large laundry room that provides great storage space - something that is often lacking in units.

There is a small balcony to enjoy the peace and quiet and a fully fenced backyard.
