

19 Russell Street AITKENVALE QLD

4  1 

This one owner home was built around 1953, and has been the home to a family of hard working parents and their 4 children. It has served the original owners well since new.

Sadly the owner has had to move, and regrettably must pass on the property to the next generation.

The low set fibro home represents a great opportunity to secure an original home with scope to renovate and refurbish.

Centrally located within the Aitkenvale community. Walking distance to Cathedral School and within the Pimlico State High School & Ignatius Park College Catchment. This home is a unique find.
