

PRICE GUIDE: 330.00

## It's Simple and Summery

Great spot near the hub of Stockland Shopping Centre with Myer coming to town. Far enough away from the hussle & bustle but still close enough to be walking distance to the shopping centre. Lovely tropical gardens surround this Qlder style home. Polished timber floors, 3 air conditioners, traditional claw foot bath, modern kitchen, carport, fully fenced yard, ceiling fans and paved rear yard.
