This home represents to buy a four bedroom home in one of Townsville's best acreage developments less than 10 minutes drive from Riverway and the Willow's Shopping town.

Nestled on just under an acre and a half, the home requires some finishing touches and landscaping to create an ultimate retreat.

Set in a quiet court, the home has a yard with room to move or expand. The home features 4 bedrooms and study, a large lounge and modern kitchen.

To the rear of the home sits a large three bay shed which has adjoining covered work area (all under the same roof line) set on a large concrete slab.
