

16 Azalea Street AITKENVALE QLD

3 2 2

This immaculately renovated three bedroom highset home would be one of the best on the market.

Set on 607m² block in a quiet tree lined street, and close to both private and public schools, Stockland Shopping Centre, and only 10 minutes from the city, this home boasts amongst other features :

Fully renovated upstairs including polished timber floors
Spacious Deck overlooking in-ground pool
Completely blocked in underneath (not legal height)
Large open living area, second room, shower and toilet downstairs which could serve as a rumpus and 4th bedroom.

Room for 2 cars as well as double gates for access to the yard.

Space to allow for shed in back yard which can be accessed down the side of the house (at a vehicle width in size).

Type : House
Building Size : 111
