

PRICE GUIDE: \$430,000.00

Area: 926 m2

## Large Family Home With Powered Shed - 926 M2 allotment

Centrally located to all the amenities, in a quiet pocket of Rasmussen, and featuring a generously sized floor plan, this home is prefect for the large family.

With an original design of three bedrooms when built new in 1985, the home has been expanded since, with the enclosing of the original garage, and this has been used a fourth bedroom by the owners. Additionally there is a large rear family room and a back patio.

With added the benefit of a the large powered shed to the back of the property and rear gates to the park at the back, the home offers the opportunity for a buyer to modernise whilst they live in the home.
