Bigger Than Your Average Home

If you need four bedrooms with a little extra space than the average home offers than this home should suit perfectly.

Spread out over two levels with three bedrooms upstairs and one downstairs it has been freshly painted. It boasts two large living areas (one upstairs and one downstairs) with access via internal stairs.

While there are two living areas we guarantee that you will be doing most of your living on the huge deck that overlooks the expansive backyard.

The interior has been freshly painted and there is a modern kitchen. In the backyard is a two bay shed and there is side access to the large 959sqm block. The new roof has also been insulated
