Great lifestyle

This lovely queenslander, sitting on a 1 acre corner allotment, provides the comfort of a modern home and with a country lifestyle. With many original features, the renovations have been done in a way that keeps with the home's character.

Brand new stainless steel appliances have been fitted into the new kitchen and it has been freshly repainted throughout.

It boasts a brand new bathroom that is just as modern as the kitchen.

The home has three bedrooms and is fully airconditioned with two separate living areas.

There is a road based driveway and garden edging.

For added storage there is the 6x12 garage.
